Here, science and nature; practicality and mystery; beauty and peace are entwined, offering an experience as luxurious as it is therapeutic and as magical as it is real.

## Our Story

The Mandara experience began on the spiritual island of Bali, inspired by the beautiful tradition of healing touches which is deeply immersed within the culture and passed on from mother to daughter from generation to generation.

These time-honored therapies, combined with European methods and natural elements indigenous to the spa's region, meld together to provide the most unique and indulgent spa treatments.

The name Mandara comes from a Sanskrit legend about the gods' quest to find the secret to eternal youth and beauty. We believe you will unlock the secret when you experience a timeless Mandara moment.

Here, time stands perfectly still.

# Massage Rituals

Every massage begins with an Aroma Reflex Foot Ritual, a symbolic cleansing process to wash away the world and a divine foot massage to prepare you for total relaxation.

## MANDARA MASSAGE

Not to be missed, never to be forgotten. Our signature massage, performed by two therapists working together, is a unique blend of five different massage styles — Shiatsu, Thai, Hawaiian Lomi Lomi, Swedish and Balinese. The synchronisation of the two therapists makes this massage a sublime experience.

*1 hr 35 mins / 32.800*

*1 hr 5 mins / 25.400*

## BALINESE MASSAGE

Our most relaxing massage, harnessing the therapeutic properties of 100% pure essential oils. Used for centuries to renew, strengthen and heal both body and mind, this traditional therapy combines stretching, long strokes, skin rolling and palm and thumb pressure techniques to relieve tension, improve blood flow, ease stress and calm the mind. It also helps to improve the circulatory, lymphatic, muscular and nervous systems.

*1 hr 35 mins / 22.400*

*1 hr 5 mins / 16.600*

## TENSION RELIEF MASSAGE

Slow, deep massage strokes deliver pressure to the inner layers of muscles and connective tissue to ease tightly-held tension. It relieves chronic pain by speeding up the blood circulation and thus delivers fresh oxygen and nutrients to the muscles to help them repair and improve their condition.

*1 hr 35 mins / 22.000*

## WARM STONE MASSAGE

The healing power of touch combines with the energy of the earth in this relaxing, muscle-melting massage. Warm rocks are placed on various energy points to encourage the body's healing potential and smoothed across the body in long, flowing strokes, helping to relax the muscles and soothe the emotions.

*1 hr 5 mins / 16.600*

## ASIAN HEAD MASSAGE

This shoulder, neck, upper back, arm, and scalp massage is based on the ancient healing techniques of Ayurveda. A Thai poultice, filled with exotic leaves, flowers, and lime and soaked in warm coconut oil, soothes the scalp, providing extra care for the hair. Acupressure of the thumbs and forefingers relieves tension and improves circulation, flushing out toxins and emotional stress.

*1 hr 5 mins / 13.000*

## FANCY FOOT-WORK

The most blissful ride your feet will ever take you on. It's like reflexology without the 'ouch'. Based on the same therapeutic principles of its ancient ancestor, this foot massage will help to release toxins and restore your body's energy flow. And it feels like bliss at its celestial best.

*1 hr 5 mins / 13.000*

## EXPRESS MASSAGE\*

For those of you on a tight schedule, this short but effective massage focusing on the back, neck and shoulders will help to relieve tension and stress.

*30 mins / 9.800*
